3. Review new antiretroviral drugs: Maraviroc, Raltegravir, Etravirine, and Rilpivirine.
4. Provide examples of common medications used in the primary care setting that should be avoided in patients receiving HIV treatment.

Learning Objectives for Technicians. After attending the program participants should be able to:

1. List the preferred, alternative, acceptable and regimens not recommended for the treatment of antiretroviral therapy-naïve patients.
2. Recognize the management of a treatment-experienced patient
3. Review the appropriate use and handling of new antiretroviral drugs: Maraviroc, Raltegravir, Etravirine, and Rilpivirine.
4. Recognize examples of common medications used in the primary care setting that should be avoided in patients receiving HIV treatment.

This program is appropriate for pharmacists, nurses, physicians, dentists and other health care professionals. This program is a knowledge-based continuing professional education activity (CPE) where pharmacists and technicians acquire factual knowledge based on evidence as accepted in the literature by health care professions.

This program is sponsored by RASHP.

The NYS Council of Health-system Pharmacists is approved by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These programs, ASP 0134-9999-12-059-LOI-P; 0134-9999-12-059-LOI-T; Gram Positive 0134-9999-12-060-LOI-P; 0134-9999-12-060-LOI-T; HIV 0134-9999-12-061-LOI-P; 0134-9999-12-061-LOI-T are approved for 0.3 CEU's (3 contact hours). Statements of Continuing Pharmacy Education Credit are available at healthsystemce.org to participants upon the conclusion of the program. Participant must verify attendance at the meeting by entering the program CE code. Attendees will have 60 days to process their CE.

Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code (i.e., ordinary, necessary business expenses; miscellaneous itemized deduction).
